II.2.4) Description of the procurement

WMIN is interested in hearing from any organisations able to provide solutions to meet the requirement of the West Midlands Image Network (WMIN) for a Digital Image Sharing, Reporting, Scheduling and Data Management solution.

Suppliers who are able to offer a solution relevant to this requirement are invited to express an interest and respond to a market engagement questionnaire. Further details on how to do this are contained within the additional information section of this notice.

The Authority will hold a “supplier day” briefing session on the 14th of March 2023, in Birmingham, to which interested suppliers are invited. Further details are available within the documentation available on the Health Family Single eCommercial System Portal (Atamis).

This exercise is intended to provide potential bidders with the opportunity to review the Authority's draft specification and to provide information regarding the services they can offer that could meet these outline requirements. This builds on the Authority's commitment to engage with the market, by sharing information and seeking input from the market to enable us to develop the final specification and determine the appropriate route to market in a fair and transparent manner.
