**II.1) Scope of the procurement**

**II.1.1) Title**

2373 - Framework for Engineering Support Services

Reference number

2373

### **II.1.2) Main CPV code**

- 71336000 - Engineering support services

### **II.1.3) Type of contract**

Services

### **II.1.4) Short description**

CPI are seeking to appoint a multi supplier framework for the provision of Engineering support services. CPI have a requirement for principal level process engineering support to help us deliver both commercial and publicly funded engineering projects. The appointed providers will need to demonstrate experience of successfully scaling up R&D processes (low to mid TRL level) to semi scale level, as well as carrying out process feasibility studies for full scale application. The appointed providers will be able to demonstrate experience of all stages of the process design lifecycle, from concept design generation, pre-FEED / feasibility studies and on into FEED & detailed design, both through the provision of in-house engineering capability and through working collaboratively alongside partner/contractor companies.

### **II.1.5) Estimated total value**

Value excluding VAT: £500,000

### **II.1.6) Information about lots**

This contract is divided into lots: No

## **II.2) Description**

### **II.2.3) Place of performance**

NUTS codes

- UKC - North East (England)
