Description

The University of South Wales (USW) has appointed a partner to install new green welded mesh perimeter fencing and welded mesh gates along with a warden gate in specific locations within the site boundary of Dynevor Arms, Llywdcoed, Aberdare CF44 0ND. One installation is to secure an existing pond area, the other is to define boundaries.

Works to include undertaking appropriate ground scanning of the proposed installation area, the removal and disposal of pre-existing fencing, installation of new fencing and access gates. USW will provide locks for installation on the new gates.
