## **Section VI. Complementary information**

### **VI.1) Information about recurrence**

This is a recurrent procurement: No

### **VI.3) Additional information**

The Council reserves the right to add the following additional requirements to the Service under this Contract during the Contract Period: -

Additional delivery premises not shown in the tender documents. This may be in response to new Premises being identified and/or changes in how the Council's in house operations are resourced and delivered.

Additional vehicles and plant of a similar nature to those requested in the tender documents. This may be in response to other services being identified over the duration of the contract which can provide temporary support for the Council's in house operations to cover any shortfall in available resources. The contractor will be expected to price based on similar Premises/ tasks priced in the Pricing Schedule.

Hire commercial vehicles over 7.5T such as refuse collection vehicles, beaver tail truck, suction road sweeper, precinct sweeper and tipper truck etc which may be required throughout the duration of the contract.

Introduce required changes associated with the service to accommodate changes to the Council's operational model and working practices e.g. functional re-structuring, new customer hub, etc;

Major incident/ environmental incident that requires resource support i.e. waste clean up/spill, additional waste vehicles or additional qualified resources.

Large scale projects or changes may be subject to price negotiation based on economies of scale. The Council reserves the right to explore/ use other procurement options in all circumstances where VFM is not demonstrated. Any contract variation may be subject to further Council internal approvals and be in accordance with the provisions of the Public Contracts Regulations.

Circumstances which may arise where vehicles may be required with driver
