#### II.1.4) Short description

This is a Prior Information Notice (PIN) to provide awareness of an upcoming framework tender for building refurbishment works.

The Refurbishment and Associated Retrofit Works Framework (working title) will be the successor to LHC's successful Whole House Framework (WH2).

The new framework will be designed to support clients with delivering a range of refurbishment and associated retrofit and improvement works.

This opportunity has been listed on behalf of LHC and our regional entities:

Consortium Procurement Construction (CPC)

LHC London and South East (LSE)

Scottish Procurement Alliance (SPA)

South-West Procurement Alliance (SWPA)

Welsh Procurement Alliance (WPA)

The full scope of this framework will be defined following engagement with clients and interested parties as part of LHC's market engagement activities, however it is anticipated this framework will allow for works to be carried out in both residential and non-residential buildings including:

Kitchen & Bathroom Replacements and Associated Works

**Electrical Works** 

Painting and Decorating

**External Works** 

Multi-Disciplinary Works

LHC will be carrying out a series of pre-tender engagement events both online and in person. To register your early interest in this framework opportunity and to get further updates and be notified regarding opportunities to engage with LHC please register on
