C403837

Description

NHS Black Country Integrated Care Board (referred to as the Commissioner) are inviting suitably qualified and experienced suppliers to express their interest in delivering a Wheelchair Assessment and Equipment Service for patients registered with a Dudley GP.

The aims and objectives of the service are:

- To provide comprehensive, all-age wheelchair services to support Service Users with long-term mobility and postural conditions to lead - as far as their condition will allow - healthy, active and independent lives.
- To provide for Service Users' clinical needs along with consideration of the holistic needs of the Service User, including social, educational, lifestyle and family/carer requirements.
- To achieve Service User-focused goals and/or resolution of problems relating to their mobility and/or equipment.
- To respond to the changing needs of Service Users with maintenance, repair, reassessments and provision of different equipment when this is needed.
- To support Service Users with integration into their local community, enabling access to education and employment and thus benefiting the economy and supporting the shift from treatment to prevention.
- To meet the Quality Standards and "I" statements set out in the Wheelchair Quality Framework.
- To focus on value for money rather than lowest absolute cost.

The contract will be for a period of 3 years with the option to extend for up to a further 2 years.

The annual value is £1,350,000

Please refer to the procurement documentation for further details.
