### II.2.4) Description of the procurement

The Corporate Officer of the House of Lords and the Corporate Officer of the House of Commons acting jointly invite interested parties to participate in an early market engagement exercise whose objective is to test and secure market insights on a revised delivery model that could be deployed and that through which the contracting authority can secure multidisciplinary design services. Increasing its level of preparedness for what constitutes the re-procurement of the existing multidisciplinary design services framework [Ref: FWK1097], the core services that are required include, but are not limited to: conservation architecture and heritage services; mechanical and electrical engineering services; structural and civil engineering services; design management and design integration services; control systems and electronic system engineering services. Supplementary specialist services will also be required to achieve a fully integrated design service / solution for the wide and diverse nature of projects and programmes that will be undertaken. These specialist services may include but not limited to acoustic engineering, building control/approved inspector services, asbestos consultancy services, workspace planning services, catering design and specification services, sustainability assessment services, health and safety consultancy services, landscape architecture services, town planning consultancy services, public health surveys, glazing consultancy services, geotechnical consultancy and ecology services.

An early market engagement briefing paper has been prepared providing background and details of a model that the Authority now wishes to test with the market. Feedback and insights are sought as to: (i) develop greater understanding on market capability and appetite to participate in any future competition against the model (and proposed lots) outlined; (ii) understand market perspectives on the benefits and disbenefits of this model; (iii) inform the finalisation of the approach for this re-procurement.

Interested providers who wish to participate in this early market engagement are requested to download and review the engagement pack from our In-Tend procurement portal - <a href="https://in-tendhost.co.uk/parliamentuk/aspx/Home">https://in-tendhost.co.uk/parliamentuk/aspx/Home</a> Interested parties are asked to complete the questionnaire and submit it to the Authority per instructions provided in the engagement pack. A closing date and time for responses to the early market engagement questionnaire is noted within the pack provided.

## II.3) Estimated date of publication of contract notice

14 April 2022

# Section IV. Procedure

### **IV.1) Description**

### IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

## **Section VI. Complementary information**

### VI.3) Additional information

This engagement does not commit or constrain the Authority to the draft services outline provided, nor any aspects or element of the delivery model option presented. This is an exploratory market engagement exercise only, not a call for competition. The CPV codes used in this engagement and the full range of services covered may change prior to commencement of the proposed competition.

Interested providers who wish to participate in this early market engagement are requested to download and review the engagement pack from our In-Tend procurement portal - <a href="https://in-tendhost.co.uk/parliamentuk/aspx/Home">https://in-tendhost.co.uk/parliamentuk/aspx/Home</a> Interested parties are asked to complete the questionnaire and submit it to the Authority per instructions provided in the engagement pack. A closing date and time for responses to the early market engagement questionnaire is noted within the pack provided.

Please note this is a Prior Information Notice and there are no tender documents to download or submit at this stage. A contract notice will be issued to signal commencement of the formal procurement process. It is anticipated that this will be issued April 2022.
