Tenders or requests to participate must be submitted to the above-mentioned address

I.4) Type of the contracting authority

Regional or local authority

I.5) Main activity

General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Multi-Utility Connection and Renewable Technology Works DPS

Reference number

TWC000042

II.1.2) Main CPV code

- 45210000 - Building construction work

II.1.3) Type of contract

Works

II.1.4) Short description

The Dynamic Purchasing System (DPS) will provide a list of potential providers considered capable of carrying out multi-utility connection and renewable technology works to a satisfactory standard. The nature and types of services that may be required may include, but are not limited to, those services identified by the CPV code and summarised in section II.2.

II.1.5) Estimated total value

Value excluding VAT: £3,200,000,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

II.2) Description

II.2.1) Title

Lot 1: Multi-Utility Connections – Increase or Decrease in Capacity

Lot No

Lot 1: Multi-Utility Connections – Increase or Decrease in Capacity

II.2.2) Additional CPV code(s)

- 45315300 - Electricity supply installations
- 65100000 - Water distribution and related services
- 45231221 - Gas supply mains construction work

II.2.3) Place of performance

NUTS codes

- UKG21 - Telford and Wrekin

II.2.4) Description of the procurement

This Lot 1 is for multi-utility connections – including increase or decrease in capacity. These projects will be throughout many sectors such as Residential Developments, Commercial Developments, Mixed Use Developments, Individual Connections, and Renewable Energy Connections. The DPS is a 2-stage process: Stage 1 - All providers who meet the selection criteria within the online Questionnaire and are not excluded will be admitted to the DPS. New providers can also apply to join the DPS at any point during its lifetime. Stage 2 - Contracts are awarded during the second stage. A Call-Off competition will be put out inviting each approved provider on the DPS list relating to this particular Lot.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £400,000,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

Yes

Description of renewals

Telford and Wrekin Council requires the ability to flexibly deliver major works in the way it sees fit for its site(s). The DPS is set up initially for 4 years from 16 October 2020 to determine whether the new process will assist in the procurement of multi-utility connection and renewable technology works , however The Council reserves the right to extend or shorten this duration.

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2) Description

II.2.1) Title

 Carbon Trust Accredited - Lot 8
 Signed up to the principles of Telford & Wrekin Council's Safe Working Document - all lots
 Insurance requirements - all lots
 Agreement to the terms and conditions within the Dynamic Purchasing Agreement - all lots

III.2) Conditions related to the contract

III.2.2) Contract performance conditions

Due to the bespoke nature of the Works the Authority anticipates that the Approved Provider will not want to sign up to the Authority's standard terms and conditions and we ask therefore that the Approved Provider provide their own terms and conditions to be agreed with the Authority as part of the individual call off submission. Each project will be looked at on an individual basis and details will be found within the Call Off Instruction. Where other public sector bodies use the DPS, the decision on the most suitable form of standard contract rests solely with the Contracting Authority.

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Restricted procedure

IV.1.3) Information about a framework agreement or a dynamic purchasing system

The procurement involves the setting up of a dynamic purchasing system

VI.3) Additional information

The contracting authority considers that this contract may be suitable for economic operators that are small or medium enterprises (SMEs). However, any selection of tenderers will be based solely on the criteria set out for the procurement. Providers must read through this set of instructions and follow the process to access, correspond and respond to this opportunity. If you experience any difficulties at any time during the tender process please contact the In-tend Helpdesk on 08438498404 or email support@in-tend.co.uk. The information and/or documents for this opportunity are available on <https://in-tendhost.co.uk/telford/asp/Home>. You must register on this site to respond, if you are already registered you will not need to register again, simply use your existing username and password. There is a password reminder link on the homepage. The Questionnaire must be completed and submitted electronically by using the In-tend portal. Call-off from this DPS is available for any other local authority, public sector body or educational establishment within the United Kingdom if required, although it should be noted that there is no obligation for any organisation referenced to use the DPS during its validity period. The DPS may also be utilised by any private sector companies, with the process being managed by Telford and Wrekin Council on their behalf. PLEASE NOTE, AS THIS IS A DPS EXERCISE ANY SUPPLIER WHO IS APPROVED IN THE DPS WILL BE INVITED TO MINI-COMPETITIONS THROUGHOUT THE LIFECYCLE OF THE DPS. For more information about this opportunity, please visit the In-tend eSourcing portal <https://in-tendhost.co.uk/telford/asp/Home>
