VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

This modification is requested as additional services are required due to legislative updates and moving to a new corporate records management solution that has highlighted complexities.

VII.2.2) Reasons for modification

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

Additional services have been required due to legislative updates and moving to a new corporate records management solution which

highlighted complexities therefore the Authority will be relying on Regulation 72(1)(c) as the need for the change could not have been

foreseen by a “diligent” Department and the changes do not affect the overall nature of the contract or exceed 50% of the value of the

original contract.

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £1,728,560

Total contract value after the modifications

Value excluding VAT: £2,302,623
