Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

We do not believe that it is possible to offer this contract for competitive process because it relies on utilising an existing hardware fleet that has been leased under a previously tendered contract. These devices are now out of their originally agreed lifespan but, due to under use, are still in excellent working order. Other vendors would not have access to our existing devices and would not, therefore, be make a competitive offer.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes
