II.2.4) Description of the procurement

St Helens Borough Council is to procure a contract for the acceptance, bulking, transfer, processing and sale of dry recyclable wastes collected by the authority. The Contract will also include the bulking of food waste. The contract may include the transfer and treatment of food waste

The initial position, subject to engagement is that the service provision may be broken down into two lots:

Lot 1: Dry Recyclables Bulking, Transfer and Offtake;

Lot 2: Transfer and treatment of food waste;

II.3) Estimated date of publication of contract notice

17 April 2023

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section VI. Complementary information

VI.3) Additional information

The purpose of this PIN is to:

- 1) Inform that St. Helens Borough Council will procure a contract for recyclables bulking, transfer and offtake
- 2) Gauge the market interest in this procurement for waste services;
- 3) Understand how best to contract with suppliers, including waste management suppliers, which operate in the UK waste sector;
- 3) Identify suppliers who would like to participate in soft market testing engagement to develop the procurement strategy, SQ and ITT documentation. These engagements are intended to inform the procurement strategy, SQ and ITT documentation.

To participate in the engagement process, or to register for regular comms/updates, please email: recycling@sthelens.gov.uk

Engagement will take place during February/ March 2023.
