This award notice relates grant to funding to support the start-up, development or diversification costs of new flexi-job apprenticeship agencies, or existing Apprenticeship Training Agencies (ATAs) who wish to become a flexi-job apprenticeship agency.

Funding will:

- support the start-up, development or diversification of flexi-job apprenticeship agencies allowing employers of all sizes to benefit from high-quality apprenticeships that are relevant and responsive to their skills needs and economic priorities.
- allow organisations to overcome barriers to the use of apprenticeships in their sectors caused by non-traditional and project-based employment models.
- increase starts in sectors where non-traditional and project-based employment models have made it harder for employers to engage with apprenticeships.
- drive quality experiences for apprentices, with corresponding improved achievement rates, resulting in positive outcomes for apprentices in terms of onward destinations in employment and training.
- support the progression of apprentices into sustainable employment or self-employment (mirroring the norm for their sector or profession)
