Negotiated without a prior call for competition

- The works, supplies or services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons
- Additional deliveries by the original supplier

Explanation:

PeaceRep is an ongoing programme. Acquiring the services from a different supplier would result in incompatibility with the existing service and disproportionate technical difficulties. The supplier is required to gain all official permissions to survey (national, state, county level), have a nation-wide network of enumerators and other logistical means to conduct the survey. The supplier has the technical means, the capability and three years experience of collaborating with the requester and implementing the survey to the necessary academic standard. Furthermore, Detcro will co-fund the project with other acquired means with up to USD 60,000
