II.2.4) Description of the procurement

We are looking for an event registration management platform that can support the creation of multiple events online with essential features such as bespoke reporting, post-event data analysis, and the ability to offer pricing and discounts. The platform must integrate with our in-house payment system to facilitate various payment methods, including online payments and offer offline payment methods such as bank transfers, via the registration platform itself. Additionally, user management capabilities are crucial, enabling us to create custom roles and permissions, as well as event access groups, as we operate globally and deliver registration journeys for diverse events and products. Given our global reach, the ability to offer translations for all events is key.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents
