### **Scope**

### **Reference**

250153

### **Description**

Queen's University of Belfast want to procure a high accuracy, high performance, multifunctional, large volume co-ordinate measurement machine for the automated inspection of large volume, high value, manufactured components for local aerospace, civil, maritime and green technology industries.

The co-ordinate measuring machine will be used as an all-purpose flexible CMM for the dimensional inspection of large components for general industry. Typical products expected to be inspected are tooling and fixturing, machined parts, composite structures

and assemblies for the aerospace industry. It will need to have the capability of accessing deep features as well as scanning and measuring complex free form shapes.

---

**Contract 1. Contract for Supply, delivery, installation, commissioning and ongoing maintenance of a high accuracy, high performance, multifunctional, large volume co-ordinated measuring machine for the automated inspection of large volume, high value manufactured components.**

**Supplier**

- MAZTECH MACHINE TOOLS NI LIMITED

**Contract value**

- £809,115 including VAT

Above the relevant threshold

**Award decision date**

16 January 2026

**Date assessment summaries were sent to tenderers**

16 January 2026

## **Standstill period**

- End: 28 January 2026
- 8 working days

## **Earliest date the contract will be signed**

30 January 2026

## **Contract dates (estimated)**

- 30 January 2026 to 30 January 2027
- Possible extension to 30 January 2037
- 11 years, 1 day

Description of possible extension:

Options to extend by up to a further 10 years or to the end of useful life of the equipment.

## **Main procurement category**

Goods

## **Options**

The right to additional purchases while the contract is valid.

The right to additional purchases while the contract is valid.

Options to extend for a period of 10 years or the end of the useful life of the equipment.

The published estimated total contract value is £809,115 (incl VAT). This incorporates the costs for equipment, warranty and delivery, in addition to estimated potential costs for warranty, accessories, maintenance, consumables, and system upgrade options, as set out in the associated tender documents, subject to future funding.

### **CPV classifications**

- 38300000 - Measuring instruments

### **Contract locations**

- UKN - Northern Ireland

---

### **Information about tenders**

- 3 tenders received
  - 2 tenders assessed in the final stage:
    - 2 submitted by small and medium-sized enterprises (SME)
    - 0 submitted by voluntary, community and social enterprises (VCSE)
  - 1 supplier awarded contracts
  - 1 supplier unsuccessful (details included for contracts over £5 million)
