The routes are as prescribed by the 'Institute for Apprenticeships & Technical Education'.

These were defined using labour market information regarding the size and nature of occupations grouped to reflect shared requirements for occupationally related skills and knowledge.

The routes are listed on the left hand side of the Institute for Apprenticeships & Technical Education' website: <https://www.instituteforapprenticeships.org/apprenticeship-standards/YPO> will list all routes, along with standards which are approved for delivery, and providers will have the ability to select which standards region they are able to deliver in when bidding for the framework.

The routes will be as listed by the Institute for Apprenticeships & Technical Education guidance.

The framework will replicate the structure that is provided by the Institute for Apprenticeships & Technical Education. If the structure is amended by the institute then the framework structure will be amended to run in-line on the next quarter update.

Please be advised that the Institute for Apprenticeships & Technical Education has the ability to change the title of routes and move standards into alternative routes based on feedback from contracting authorities, YPO reserve the right to follow the same process based on the Institute for Apprenticeships & Technical Education direction.

Any new routes will be added onto the framework on a quarterly basis with the subsequent

standards aligned under them.

On a quarterly basis YPO will add on new developed standards as they appear on the above website, the number of standards will continue to grow and will be updated in the documents.

Providers will be able to bid for all live standards that have been listed from the beginning of

the framework and all new standards that are added by the Institute for Apprenticeships & Technical Education throughout the duration of the framework.

The standards are each listed on the Institute for Apprenticeships & Technical Education website and can be found at:
