Westminster City Council and the Royal Borough of Kensington and Chelsea will be embarking on the recommissioning of their Healthy Child Programme. The authorities

launched their pre-birth to five transformation programme in April 2019, which included a redesign of how the authorities will deliver their healthy child programme. The market engagement event will provide an opportunity to discuss the proposed model and vision of how the healthy child programme is to be delivered in the future. We are keen to hear your views and utilise your expertise to commission a high quality and sustainable service. We are particularly interested in working with organisations that want to explore and create new and integrated approaches to improve the needs of residents.

Providers with experience of delivering these types of services are invited to attend a supplier engagement event on Wednesday 24th March 2021. Kindly register your expression of interest via our e-tendering portal; www.capitalesourcing.com and search for the following reference: pqq_WCC_1642 — Healthy Child Programme by 22nd March 2021.
