II.1.4) Short description

Mole Valley District Council (the Council) invites tenders for the provision of Electrical and Mechanical Services as set out in these documents.

It should be noted at the outset that the Council's Electrical Services requirements and Mechanical Services requirements form their own independently awardable Lots and subsequent Contracts:

Lot One is for a supplier to provide Emergency & Reactive Call Out, Planned Maintenance, Repair and Installation Electrical Services to the Council's Commercial Portfolio.

Lot Two is for a supplier to provide Emergency & Reactive Call Out, Planned Maintenance, Repair and Installation Mechanical Services to the Council's Commercial Portfolio.

The Commencement Date for the delivery of the services is scheduled to be on Tuesday 14th May 2024 at 00:00 hours. The Contracts will be awarded for a period of 3 years until Thursday 13th May 2027, with an option to extend for a further 2 year period subject to performance and the absolute discretion of the Council.

The Council is procuring this contract following the Open Procedure under the UK Public Contract Regulations 2015 and the Council's Procurement Code. The Council will be issuing separate Contracts to the winning bidder of each Lot. There are no restrictions or limitations on the number of Lots you can bid for.

The Council is seeking to contract with an organisation that will manage the Services to the highest levels of satisfaction, professional standards and cost effectiveness. The Contractor will be expected to deliver improvements to service delivery and value for

money over the life of the contract.

The Information for Bidders document contains the information and instructions that Bidders need to ensure that a compliant and completed tender is submitted. Please read the Information for Bidders document carefully as failure to comply with any instructions may result in the rejection or disqualification of your tender from this tender process.
