Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated procedure without publication of a contract notice

- No tenders or no suitable tenders/requests to participate in response to negotiated procedure with prior publication of a contract notice
- The products involved are manufactured purely for the purpose of research, experiment, study or development
- The works, supplies or services can be provided only by a particular economic operator for the following reason:
 - protection of exclusive rights, including intellectual property rights

Explanation:

KMW are the original equipment manufacturer (OEM) and design authority and exclusively own the know-how and data relating to the equipment; without such services the requirement cannot be provided. KMW have previously responded to the Authority's request for information relating to an exclusive right for the LFME system and clearly stated that they hold the exclusive rights as owner of the LFME ® technology as developed in 1982. KMW have previously informed the Authority that they have not and will not license the exclusive rights to a third party.
