The Provision of Intellectual Property Services

Reference number

PRO004443

II.1.2) Main CPV code

- 79100000 - Legal services

II.1.3) Type of contract

Services

II.1.4) Short description

Intellectual Property Services:

- Manage patent and trademark portfolio – help us keep track of key events and maintain our portfolio of patents
- Renew existing patents and trademarks– ensuring that all patents and trademarks are renewed in a timely manner and no unplanned lapses occur
- Advise and assist in the filing and granting of new patents and trademarks (for example arranging local power of attorney as needed for global patents)
- Advise and defend patent or trademark infringements – ensure we are made aware of infringements and advise best course of action
- Act on our behalf where required with pre-agreed scope of activities where agent can act autonomously (for example renewals)

Domain Watching Services:

- Identify new domains, changes in status or expiration of existing domains

- Validate any new domains identified and the level of risk this poses to UU
- Advise in regards to next steps of investigation where a breach of infringement has been identified
