Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Request for Information for the Provision of Welsh Language Translation Software

II.1.2) Main CPV code

• 72212740 - Foreign language translation software development services

II.1.3) Type of contract

Services

II.1.4) Short description

The University's Welsh Language Unit are seeking information from potential suppliers to provide a translation memory software system.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

• 48740000 - Foreign language translation software package

• 48000000 - Software package and information systems

• 48100000 - Industry specific software package

• 80300000 - Higher education services

II.2.3) Place of performance

NUTS codes

• UK - United Kingdom

II.2.4) Description of the procurement

The University's Welsh Language Unit are seeking information from potential suppliers to provide a translation memory software system to support the work of its Translation Unit.

The solution will need to provide English to Welsh and Welsh to English translation and will have proof reading capabilities. In addition, the University is interested in a solution that can automate the administrative processes associated with delivering a busy translation service, such as the management of translation requests.

Interested suppliers are invited to download the RFI document, complete the questionnaire, and return it by Wednesday 26th February to gemma.selway@southwales.ac.uk

II.3) Estimated date of publication of contract notice

1 April 2025

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

---
