Section I: Contracting authority

I.1) Name and addresses

Sellafield Limited

Calder Bridge

Seascale

CA20 1PG

Contact

Emma Miller And Darren Humes And Tim Smith

Email

emma.miller@sellafieldsites.com

Country

United Kingdom

Region code

UKD11 - West Cumbria

Justification for not providing organisation identifier

Not on any register

Internet address(es)

Main address

<https://www.gov.uk/government/organisations/sellafield-ltd>

Buyer's address

<https://www.gov.uk/government/organisations/sellafield-ltd>

I.3) Communication

The procurement documents are available for unrestricted and full direct access, free of charge, at

<https://one-nda.force.com/s/Welcome>

Additional information can be obtained from the above-mentioned address

Tenders or requests to participate must be submitted electronically via

<https://one-nda.force.com/s/Welcome>

I.4) Type of the contracting authority

Body governed by public law

I.5) Main activity

Other activity

Nuclear Decommissioning

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Infrastructure Delivery Partnership (IDP)

II.1.2) Main CPV code

- 45000000 - Construction work

II.1.3) Type of contract

Works

II.1.4) Short description

IDP will deliver conventional infrastructure projects and tasks. There are 4 Lots:

Lot 1 Strategic Partner: provision of strategic front-end definition, portfolio management and engineering to define a single viable option.

Delivery Partners will take the single viable option and complete detailed design and all procurement, installation, construction, commissioning and handover activities that form part of delivery.

Lot 2 Electrical Distribution Delivery Partner;

Lot 3 Utilities Delivery Partner;

Lot 4 Civils Delivery Partner.

Candidates may express an interest for either the Strategic Partner or the Delivery Partner Lots but not both. The maximum number of Lots a Candidate can ultimately win is one. An organisation with the same ultimate parent company can only bid as part of one entity, either singularly or as part of a Joint Venture / Consortia and the above restrictions will apply to each entity. For further information see the SQ Instructions paragraphs 2.4-2.8.

II.1.5) Estimated total value

Value excluding VAT: £3,440,000,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

Maximum number of lots that may be awarded to one tenderer: 1

The contracting authority reserves the right to award contracts combining the following lots or groups of lots:

Sellafield Ltd's intention is to award a separate Contract in respect of each Lot. However, nothing will oblige Sellafield Ltd to award a Contract for any Lot or all Lots.

II.2) Description

II.2.1) Title

Lot 1 Strategic Partner

Lot No

1

II.2.2) Additional CPV code(s)

- 45000000 - Construction work
- 51100000 - Installation services of electrical and mechanical equipment
- 66140000 - Portfolio management services
- 71000000 - Architectural, construction, engineering and inspection services
- 72224000 - Project management consultancy services
- 79410000 - Business and management consultancy services
- 79421000 - Project-management services other than for construction work
- 79994000 - Contract administration services

II.2.3) Place of performance

NUTS codes

- UKD11 - West Cumbria

Main site or place of performance

Sellafield Site (West Cumbria)

II.2.4) Description of the procurement

The scope of the Strategic Partner is summarised below (further detailed information can be found in the procurement documentation):

- Provides strategic front-end definition
- Portfolio management of programmes, projects and tasks to maximise benefit
- Infrastructure planning (land, utilities, transport, accommodation) to inform and support the Sellafield Ltd Masterplan
- Undertakes feasibility studies and initial engineering design, this will require Delivery Partner and Sellafield Ltd subject matter expert input
- Undertakes benchmarking and should-cost modelling on costs and schedules
- Production of business cases.
- Provides input into commissioning strategies and embedding capabilities into business as usual
- Supports portfolio planning and optimisation
- Undertakes stakeholder engagement
- Sustainability - energy modelling, carbon analysis
- Data management controls, security, governance, retrievals and business continuity
- Drive innovation through the Portfolio
- Knowledge transfer - facilitation, LFE capture, dissemination, obtaining and complying with ISO44001 in the IDP environment
- Gathering, documenting and sharing pre-construction information

The value stated at II.1.5.1 is the upper value range for the lot, further information on the value ranges can be found in the procurement documentation. The value is for the maximum contract term of 180 months, this term consists of an initial term of 108 months

(9 years) with an option to extend by a further 72 months (6 years) either in a single extension or multiple smaller extensions.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £495,000,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

180

This contract is subject to renewal

Yes

Description of renewals

The contract makes provision for extension or extensions of up to a total of 72 months (6 years) beyond the initial term of 108 months (9 years), giving a maximum contract term of 180 months

II.2.9) Information about the limits on the number of candidates to be invited

Maximum number: 3

Objective criteria for choosing the limited number of candidates:

As described in the procurement documentation, specifically the SQ Instructions, Appendix A1A.

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.14) Additional information

No candidate can compete for both the Strategic Partner lot and a Delivery Partner lot

II.2) Description

II.2.1) Title

Lot 2 Delivery Partner - Electrical Distribution

Lot No

2

II.2.2) Additional CPV code(s)

- 45000000 - Construction work
- 50000000 - Repair and maintenance services
- 51100000 - Installation services of electrical and mechanical equipment
- 66140000 - Portfolio management services
- 71000000 - Architectural, construction, engineering and inspection services
- 72224000 - Project management consultancy services
- 79410000 - Business and management consultancy services
- 79421000 - Project-management services other than for construction work
- 79994000 - Contract administration services

II.2.3) Place of performance

NUTS codes

- UKD11 - West Cumbria

Main site or place of performance

Sellafield Site (West Cumbria)

II.2.4) Description of the procurement

The Scope of the Electrical Distribution Delivery Partner includes the completion of detailed design and all procurement, installation, construction, commissioning and handover activities that form part of delivery. Typical Electrical Distribution Partner scope will include:

- Refurbishment or replacement of Distribution System Transformers
- Refurbishment or replacement of Electrical substations
- Refurbishment or replacement of Electrical Switchgear
- Replacement of distribution cabling and cable support structures
- Upgrade of site distribution Tele-control system
- Installation of additional standby generation capacity
- Upgrade or refurbishment of existing standby generating capacity
- Upgrade or refurbishment of existing generating capacity
- Installation of additional connection points to the National Grid
- Refurbishment of existing grid connections
- Major repair work to any of the above
- A programme of planned job and tasks

The value stated at II.1.5.1 is the upper value range for the lot, further information on the value ranges can be found in the procurement documentation. The value is for the maximum contract term of 180 months, this term consists of an initial term of 108 months (9 years) with an option to extend by a further 72 months (6 years) either in a single extension or multiple smaller extensions.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £1,290,000,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

180

This contract is subject to renewal

Yes

Description of renewals

The contract makes provision for extension or extensions of up to a total of 72 months (6 years) beyond the initial term of 108 months (9 years), giving a maximum contract term of 180 months.

II.2.9) Information about the limits on the number of candidates to be invited

Maximum number: 4

Objective criteria for choosing the limited number of candidates:

Further information can be found in the procurement documentation, specifically the SQ Instructions, Appendix A1B

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.14) Additional information

No candidate can compete for both the Strategic Partner lot and a Delivery Partner lot

A candidate can compete for more than one Delivery Partner lot but cannot be awarded

more than one Delivery Partner contract. A priority mechanism defining how Sellafield Ltd will deal with a situation where a tenderer wins more than one lot is set out in the procurement documents

II.2) Description

II.2.1) Title

Lot 3 Delivery Partner - Utilities

Lot No

3

II.2.2) Additional CPV code(s)

- 45000000 - Construction work
- 50000000 - Repair and maintenance services
- 51100000 - Installation services of electrical and mechanical equipment
- 66140000 - Portfolio management services
- 71000000 - Architectural, construction, engineering and inspection services
- 79410000 - Business and management consultancy services
- 79421000 - Project-management services other than for construction work
- 79994000 - Contract administration services

II.2.3) Place of performance

NUTS codes

- UKD11 - West Cumbria

Main site or place of performance

Sellafield Site (West Cumbria)

II.2.4) Description of the procurement

The Scope of the Utilities Delivery Partner includes the completion of detailed design and all procurement, installation, construction, commissioning and handover activities that form part of delivery. Typical Utilities Partner scope will include:

- Refurbishment or replacement of the on-site steam distribution system and support structures
- Refurbishment or replacement of the on-site water distribution system and support structures.
- Refurbishment or replacement of the off-site water supply and distribution system including the domestic water treatment plant and storage reservoirs
- Refurbishment of the demineralised water treatment and conditioning plant
- Refurbishment or replacement of the on-site compressed air generation and distribution system including support structures
- Refurbishment or replacement of the on-site bulk chemical storage tanks and associated equipment
- Refurbishment or replacement of the on-site chemical distribution system and support structures
- Improvements to rail and road tanker off-load facility
- Refurbishment or replacement of the sewage treatment plant
- A programme of planned job and tasks

The value stated at II.1.5.1 is the upper value range for the lot, further information on the value ranges can be found in the procurement documentation. The value is for the maximum contract term of 180 months, this term consists of an initial term of 108 months (9 years) with an option to extend by a further 72 months (6 years) either in a single extension or multiple smaller extensions.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £1,060,000,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

180

This contract is subject to renewal

Yes

Description of renewals

The contract makes provision for extension or extensions of up to a total of 72 months (6 years) beyond the initial term of 108 months (9 years), giving a maximum contract term of 180 months

II.2.9) Information about the limits on the number of candidates to be invited

Maximum number: 4

Objective criteria for choosing the limited number of candidates:

Further information can be found in the procurement documentation, specifically the SQ Instructions, Appendix A1B.

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.14) Additional information

No candidate can compete for both the Strategic Partner lot and a Delivery Partner lot

A candidate can compete for more than one Delivery Partner lot but cannot be awarded more than one Delivery Partner contract. A priority mechanism defining how Sellafield Ltd will deal with a situation where a tenderer wins more than one lot will be set out in the procurement documents.

II.2) Description

II.2.1) Title

Lot 4 Delivery Partner - Civils

Lot No

4

II.2.2) Additional CPV code(s)

- 45000000 - Construction work
- 50000000 - Repair and maintenance services
- 51100000 - Installation services of electrical and mechanical equipment
- 66140000 - Portfolio management services
- 71000000 - Architectural, construction, engineering and inspection services
- 72224000 - Project management consultancy services
- 79410000 - Business and management consultancy services
- 79421000 - Project-management services other than for construction work
- 79994000 - Contract administration services

II.2.3) Place of performance

NUTS codes

- UKD11 - West Cumbria

Main site or place of performance

Sellafield Site (West Cumbria)

II.2.4) Description of the procurement

The Scope of the Civils Delivery Partner includes the completion of detailed design and all procurement, installation, construction, commissioning and handover activities that form part of delivery. Typical Civils Partner scope will include:

- General civils design and engineering
- Road Network including all earthworks slopes and retaining structures

- Rail Network including all earthworks slopes and retaining structures
- Highway, Rail and Pedestrian Bridges
- Service Bridges (pipes, cables and the like)
- Service Trenches
- Service Supports
- Below ground ducts including street works
- Foundations to equipment (electrical equipment, lighting and the like)
- Above ground service supports
- Hard standings for vehicles and mobile plant including car parks
- Hard and soft landscaping
- Retaining walls
- Security Fences, Turnstiles and Gates
- Other minor civils/structural work including utility supports

The value stated at II.1.5.1 is the upper value range for the lot, further information on the value ranges can be found in the procurement documentation. The value is for the maximum contract term of 180 months, this term consists of an initial term of 108 months (9 years) with an option to extend by a further 72 months (6 years) either in a single extension or multiple smaller extensions.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £595,000,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

180

This contract is subject to renewal

Yes

Description of renewals

The contract makes provision for extension or extensions of up to a total of 72 months (6 years) beyond the initial term of 108 months (9 years), giving a maximum contract term of 180 months

II.2.9) Information about the limits on the number of candidates to be invited

Maximum number: 4

Objective criteria for choosing the limited number of candidates:

Further information can be found in the procurement documentation, specifically the SQ Instructions, Appendix A1B.

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.14) Additional information

No candidate can compete for both the Strategic Partner lot and a Delivery Partner lot

A candidate can compete for more than one Delivery Partner lot but cannot be awarded more than one Delivery Partner contract. A priority mechanism defining how Sellafield Ltd will deal with a situation where a tenderer wins more than one lot will be set out in the procurement documents

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers
