General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Future Offshore Wind Sustainability & Supply Chain Advisor Framework- Pre-market Engagement

II.1.2) Main CPV code

- 76520000 - Offshore services

II.1.3) Type of contract

Services

II.1.4) Short description

To support delivery of the Future Offshore Wind programme, and likely multiple leasing rounds, TCE are looking to procure a framework agreement for Future Offshore Wind Sustainability & Supply Chain Advisor.

The Sustainability & Supply Chain Advisor will be responsible for advising The Crown Estate (TCE) on all aspects of the Future Offshore Wind (FOSW) Programme tender process related to social value, nature, net zero and supply chain. This will include, but not be limited to:

- Advisory Support
- Tender Support

Additional Resource: Offering additional advisory services to other marine sectors as required.

The Advisor will support TCE throughout the main phases of the future leasing tender rounds and entering into the Agreement for Lease.

A detailed scope will be published during the Selection Questionnaire (SQ) stage.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 66114000 - Financial leasing services
- 71314000 - Energy and related services
- 71356000 - Technical services

- UK - United Kingdom

II.2.4) Description of the procurement

To support delivery of the Future Offshore Wind programme, and likely multiple leasing rounds, TCE are looking to procure a framework agreement for Future Offshore Wind Sustainability & Supply Chain Advisor.

The Sustainability & Supply Chain Advisor will be responsible for advising The Crown Estate (TCE) on all aspects of the Future Offshore Wind (FOSW) Programme tender process related to social value, nature, net zero and supply chain. This will include, but not be limited to:

- Advisory Support
- Tender Support

Additional Resource: Offering additional advisory services to other marine sectors as required.

The Advisor will support TCE throughout the main phases of the future leasing tender rounds and entering into the Agreement for Lease.

A detailed scope will be published during the Selection Questionnaire (SQ) stage.

II.3) Estimated date of publication of contract notice

25 March 2025

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section VI. Complementary information

VI.3) Additional information

3 year initial term with a 1 year possible extension.

Market engagement

A market engagement webinar hosted by The Crown Estate is being held on Wednesday 12th February (further details below), to present the three new Future Offshore Wind frameworks.

The webinar will provide an overview of The Crown Estate's approach to tender advisors for future offshore wind leasing rounds, prior to the upcoming tender launch.

The three upcoming tenders are:

Future Offshore Wind Leasing Technical Advisor Framework.

Future Offshore Wind Commercial Advisor Framework.

Future Offshore Wind Sustainability & Supply Chain Advisor Framework.

The session will be recorded, and both the presentation and Q&A will be shared with suppliers as part of the tender documents. There will be further opportunities to ask clarification questions during the procurement process. We encourage you to prepare any questions in advance to make the most of the Q&A session.

Event Details:
