Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

Based on a comparison (by the end user) between CellOne X1 NEO and 2 other single cell isolation instruments, the CellenOne X1 NEO is the only instrument that combines a number of required features such as isolate a large range of cell sizes, real-time imaging of the cell sorting processing (including high-resolution and fluorescence), high single cell viability, and built-in proteomics functionality/workflows for single cell proteomics.

CellenOne X1 NEO is the only instrument available at the moment that meets all of the end users requirements and SCIENION UK Ltd is the sole supplier for this instrument.
