## Section IV. Procedure

### IV.1) Description

#### IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

Integral to the research and development being undertaken by the University of Leeds is the requirement for an advanced slurry processing system based on plasma technology at the National Pig Centre. N2 Applied is the only company currently evidencing their ability to create, install, commission and maintain a bespoke, research-led, slurry processing system. This uniquely designed, technologically advanced monitoring system is capable of achieving a high level of accuracy, capturing all data for subsequent analysis to meet the University's world class research environment.

#### IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

---
