II.2.4) Description of the procurement

Ceredigion County Council has received funding from the Ultra Low Emission Vehicle Transport Fund (ULEVTF), for the installation of electric vehicle charging infrastructure and charge points for plug-in electric vehicles within the County. The contract is for the supply and installation of electric vehicle charge points and servicing of those for a further 8 years from the date of installation.

The chargepoints shall have a minimum operational life of 8 years and be maintained by the Contractor in a

serviceable condition and accessible for 8 years from the date of installation. The Contractor must take on

all liability for the installation, operation, metering and electricity supply, future upgrades and maintenance

of the chargepoints, all hardware, software, back office, payment, communication (including SIM fees), and

call handling systems to the satisfaction of the Council for 8 years in accordance with the Contract.

There is a concessionary element to this contract in that the supplier shall operate and receive income from

the installed equipment in accordance with a profit share arrangement with the Council.

II.2.5) Award criteria

Quality criterion - Name: Quality / Weighting: 50%

Price - Weighting: 50%

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

132

This contract is subject to renewal

Yes

Description of renewals

The Council reserves the right to extend the maintenance period of installations up to that of the final installation, to allow for a single termination date.

II.2.10) Information about variants

Variants will be accepted: No
