General public services

---

## **Section II: Object**

### **II.1) Scope of the procurement**

#### **II.1.1) Title**

Rugby Parkway Station Lead Design Consultant

Reference number

WCC - 10649

#### **II.1.2) Main CPV code**

- 71311000 - Civil engineering consultancy services

#### **II.1.3) Type of contract**

Services

#### **II.1.4) Short description**

Warwickshire County Council (the Council) is seeking to appoint a Lead Designer (The Consultant) to progress proposals for a new railway station, Rugby Parkway, positioned on the HNR Northampton Loop. The Council intends to procure the services of a design Consultant (the Consultant) to identify and develop options based around the feasibility/optioneering work carried out to date and to recommend a preferred single option. The Consultant will then develop the Council's selected option to the minimum level of design detail that will support a successful

Planning Application and that secures Network Rail endorsement of a Preferred Option Selection Report (POSR) confirming no objections.

The POSR will be developed to a level of detail that is beyond GRIP 3 but less than generally submitted at GRIP 4 Approval in Principle. As part of this design process, a detailed Risk Workshop will be held and a Quantified Risk Assessment (QRA) carried out, so that key risks and appropriate mitigations are identified and the Council has a clear understanding of the likely cost of delivering the project.

The Consultant will act as Designer under the CDM Regulations for this stage of the design

#### **II.1.6) Information about lots**

This contract is divided into lots: No

#### **II.1.7) Total value of the procurement (excluding VAT)**

Value excluding VAT: £285,589.84

### **II.2) Description**

#### **II.2.3) Place of performance**

NUTS codes

- UKG - West Midlands (England)

#### **II.2.4) Description of the procurement**

Warwickshire County Council (the Council) is seeking to appoint a Lead Designer (The Consultant) to progress proposals for a new railway station, Rugby Parkway, positioned on the HNR Northampton Loop.

The Council intends to procure the services of a design Consultant (the Consultant) to identify and develop options based around the feasibility/optioneering work carried out to

date and to recommend a preferred single option. The Consultant will then develop the Council's selected option to the minimum level of design detail that will support a successful Planning Application and that secures Network Rail endorsement of a Preferred Option Selection Report (POSR) confirming no objections.

The POSR will be developed to a level of detail that is beyond GRIP 3 but less than generally submitted at GRIP 4 Approval in Principle. As part of this design process, a detailed Risk Workshop will be held and a Quantified Risk Assessment (QRA) carried out,

so that key risks and appropriate mitigations are identified and the Council has a clear understanding of the likely cost of delivering the project.

The Consultant will act as Designer under the CDM Regulations for this stage of the design
