It is also a key driver in achieving the Council's ambition in being an inclusive, child friendly city for children and young people (CYP) with special educational needs and disabilities (SEND). An inclusion service should offer advice, support and challenge to activity settings to ensure groups are fully inclusive and able to offer equality of access to all children. This is a highly sustainable model, building capacity in universal settings to include disabled children, reducing the likelihood of crisis and family breakdown and thereby reducing the need for more expensive specialist provision or Social Work intervention
