II.2.4) Description of the procurement

Brunel University London is seeking to appoint a suitably qualified and competent cleaning Supplier who will carry out end of tenancy deep cleans within University owned and managed residential accommodation.

The Supplier will be expected to achieve and sustain a consistently high standard of cleaning across each of the University residential buildings within the Contract. This annual end of tenancy deep cleaning targets en-suite study bedrooms, kitchens, studios and common areas.

The current provision of all the residential cleaning on campus is in-house and during the summer we have a requirement for an external supplier to provide additional cleaning services which is where you'd be stepping in. The University is looking to appoint a Supplier who can demonstrate an innovative approach to the cleaning requirements in order to achieve an efficient and cost-effective service.

The successful Supplier is required to clean the specified buildings, following an agreed work schedule, which will be signed off with the Supplier's Manager on site. All cleaning completed will be measured against the standards detailed in the cleaning specification

document.

Please refer to the tender documents. To access the documents, it is important that you register to our ESourcing portal by following the link after: <http://www.brunelesourcing.com> (there is a 'click here to register!' button to do so). The ITT will have the title 'End-of-tenancy Cleaning Services'.
