II.1.4) Short description

The East of England NHS Collaborative Procurement Hub (EOECPH) is seeking experienced, proven, innovative and agile providers to be awarded onto a Framework to be let by EOECPH for the benefit of publicly funded (wholly or partially funded) as detailed in ITT documents issued by EOECPH for the provision of dermatology services.

It is the intention of this framework to provide dermatology services which may either be supplementary, for example services secured in support of waiting list initiatives to ensure participating beneficiary authorities key performance indicators are maintained, or through a longer term arrangement via a trust acting as Head Provider via sub-contracting or through commissioners seeking to secure additional dermatology services.

NHS and other related care sector organisations delivering or commissioning dermatology services, will be able to use this framework to secure compliant patient focused dermatology services throughout the United Kingdom (UK).

We are re-opening the Dermatology Services Framework to allow Providers to onboard to the Framework. The Framework was originally awarded and is being re-opened under the 'Light Touch Regime' of the Public Contracts Regulations 2015 as described in the original Contracts Notice 2020/S 215-528589.
