Health

---

**Section II: Object**

**II.1) Scope of the procurement**

**II.1.1) Title**

Provision of Specialised Reporting for Heart and Lung Checks Framework

Reference number

Project\_19188

**II.1.2) Main CPV code**

- 85100000 - Health services

**II.1.3) Type of contract**

Services

**II.1.4) Short description**

It is the intention that this Framework will help to facilitate and enable publicly funded organisations to secure cost-effective value for money for Specialised Reporting for Heart and lung Checks. This framework has been issued to support the NHS and will encompass reporting for the 10 pilot programs currently being run by NHS England, additionally other Beneficiaries service requirements outside of the pilot is also encompassed. The screening services for this framework is specialised, the standard and

type of personnel needed is over and above the standard Teleradiology reporting.

Bidders will also have the opportunity to apply to join the Framework Agreement on an annual basis.

It is anticipated that applications will be accepted on the following dates:

November 2022 – For commencement of contract February 2023

November 2023 – For commencement of contract February 2024

November 2024 – For commencement of contract February 2025

(dependent on extension of Framework Agreement)

The process to be followed is reflective of the flexibility available against the Light Touch Regime and against which the procurement is being run.

#### **II.1.6) Information about lots**

This contract is divided into lots: No

#### **II.1.7) Total value of the procurement (excluding VAT)**

Value excluding VAT: £10,000,000

- 85150000 - Medical imaging services

#### **II.2.3) Place of performance**

NUTS codes

- UK - United Kingdom

#### **II.2.4) Description of the procurement**

The services captured under this Framework will be suitable for use across the diverse portfolio of organisations making up the NHS landscape and other publicly funded organisations and/or public funded service provision. The aim of this framework is to provide a suite of easily accessible, value for money, services, with a compliant route to market for Contracting Authorities (named as Beneficiaries) against the Lung & Heart Specialised Reporting Framework. Services offered under this Framework will meet the

highest industry standards and support Contracting Authorities with the current and future day-to-day activities in respect of the requirements for the Provision of Specialised Reporting for Heart and lung Checks Framework. The services will offer a cost effective, value for money solution, utilising suitably qualified and skilled personnel to deliver radiology reporting, image interpretation, and support services to Contracting Authorities to facilitate their requirements in terms of increasing capacity and/or hit both short term and long-term Service targets.
