Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Delivery of Highway Term Maintenance Contracts

II.1.2) Main CPV code

- 45233139 - Highway maintenance work

II.1.3) Type of contract

Works

II.1.4) Short description

Liverpool City Council intends to carry out highways maintenance works as part of its ongoing infrastructure management program. The purpose of this Prior Information Notice (PIN) is to provide advance notice to potential suppliers and contractors about the forthcoming procurement opportunity.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 45200000 - Works for complete or part construction and civil engineering work

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

The highways maintenance works will encompass various aspects of maintenance, repair and installation, including but not limited to:

- 24/7/365 Emergency response to incidents on the highway
- Reactive highway maintenance, including but not limited to, the following assets: carriageways, footways, drainage, structures, street furniture, signs, road markings, guardrail and Vehicle Restraint Systems (VRS)
- Planned/cyclical highway maintenance, including but not limited to, the following assets: carriageways, footways, drainage, structures, street furniture, signs, road markings, guardrail and VRS
- Preventative highway maintenance, including but not limited to, the following assets: carriageways, footways, drainage, structures, street furniture, signs, road markings, guardrail and VRS
- Repairs to, and installation of, highway assets including but not limited to, the following: carriageways, footways, drainage, structures, street furniture, signs, road markings, guardrail and VRS

- Small capital schemes
- Other associated works deemed necessary by the Authority

Please note that the exact scope of works, locations, and timelines will be detailed in the forthcoming tender documents.

The procurement process for these works will be conducted in accordance with a restricted procedure. The anticipated procurement timeline and key milestones are as follows:

Publication of Contract Notice, call for competition (selection stage): 5th March 2024

Issue of Tender Documents (invitation to tender stage): 15th April 2024

Deadline for Submission of Tenders: 7th June 2024

Contract Award: 25th October 2024

Contract Commencement: 1st April 2025

This contract will not be divided into lots, however two contracts (one for the North of the city and one for the South) are anticipated to be awarded on a ranked basis. Full detail on award procedures will be available in the tender documents.

This PIN does not constitute a commitment by the Authority to undertake the procurement process or award a contract. The Authority reserves the right to modify or cancel this procurement process at any stage without liability to potential suppliers or contractors.

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

This contract is subject to renewal

Yes

Description of renewals

It is anticipated that this contract will be for an initial term of 3 years with the option to extend for a further two periods of twelve months.

II.3) Estimated date of publication of contract notice

5 March 2024

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes
