Scope

Description

The Council is carrying out PME in relation to this project. The Council will consider the feedback received to help inform the Council's options, requirements and further decision making. For the avoidance of doubt, this stage of the project is not part of a formal procurement process, and the Council is not committing, at this stage, to carrying out such a process.

Participation or non-participation in the PME shall not prevent any supplier participating in a potential future procurement, nor is it intended that any information supplied as part of the PME shall place any supplier at an advantage in a potential procurement process.

Participation in the PME will be at each organisation's own cost. No expense in responding to this PME will be reimbursed by the Council.

To access the PME documentation please visit the Council's e-tendering system Supply Hertfordshire, run by Intend at <https://in-tendhost.co.uk/supplyhertfordshire> and follow the on-screen guidance. In addition, to participate in this PME, organisations must return their

completed Provider Questionnaire (Appendix A of the PME Document), together with any supporting documents, through the Correspondence area of this project by the return deadline of 12.00 Noon on 06 February 2026, as per the PME documentation and e-tendering system. Provider Questionnaires received after the deadline

may not be reviewed at the Council's sole discretion.

Please make sure that you have submitted your Provider Questionnaire following the instructions within the PME documentation and e-tendering system. The Council will not be held accountable for any errors made by an organisation in submitting their Provider Questionnaire.
