The duration of contract (• Service Period•) given in section 11.2.7 is the full contract length, excluding contract mobilisation activities to be undertaken in parallel with the existing contract period. The contract is for an initial term of 7 years with the right to extend by 2 further periods of 3 year years each plus one further year. If necessary, services that commence during the Service Period may be completed after its end. The contract value in this notice is an estimate as contractual volumes will fluctuate depending on available funding. The figure is based on the full term of 14 years and is exclusive of VAT. The contract value will be subject to indexation and the values given here are in 2024 prices before the application of indexation. Norfolk County Council is offering exclusivity on the schemes which will be delivered by the Works Contractor up to the estimated construction value of £20m, subject to performance, benchmarking and ability to sub-contract with specialist providers. Norfolk County Council expressed interest in the government's Devolution Priority Programme and has been accepted. This process has the potential to lead to the establishment of a county combined authority for Norfolk and Suffolk, with strategic powers, headed by an elected mayor. Government is also expected to invite participation by Norfolk in Local Government Review. This process has the potential to lead to unitary local government in Norfolk. The contract may be assigned or novated to any successor authority(ies) to Norfolk County Council or to any joint body incorporating any such successor. The Service Manager will be entitled to instruct the provision of services under the contract for the benefit of any local authority serving all or part of the area currently served by Norfolk County Council and Suffolk County Council. The firm appointed will be required to give undertakings to the beneficiary authority, via NEC clause X8 or otherwise. No commitment is given to instruct any such services and no exclusivity is offered in this respect. This procurement will be managed electronically via the Council's e-procurement system. To participate in this procurement, applicants must first be registered on the system at <https://in-tendhost.co.uk/norfolkcc>. VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

Precise information on deadline(s) for lodging appeals: The Public Contracts Regulations 2015 (as amended) provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland). Proceedings must be brought within 30 days from the date of knowledge (the date on which the economic operator first knew or ought to have known that grounds for starting the proceedings had arisen) unless the Court considers that there is good reason for extending the period within which proceedings may be brought, in which case the Court may extend that period up to a maximum of 3 months from the date of knowledge.
