Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award procedure without prior publication of a concession notice in the cases listed below

- The works or services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

A cost and time extension will allow the programme to continue delivering on the critical work on laying the foundation for key stability and governance initiatives in Somalia. Extending and increasing the cost with the current supplier is the most cost effective option, going back to the market would have a negative impact on the programmes ability to meet the Programme objectives and impact on the beneficiaries.

The below regulation covers this

Regulation 72 (b): for additional works, services or supplies by the original contractor that have become necessary and were not included in the initial procurement, where a change of contractor;

(I) cannot be made for economic or technical reasons such as requirements of interchangeability or interoperability with existing equipment, services or installations procured under the initial procurement
