Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

The equipment being provided by the supplier is the only system which is compatible and can be integrated with an existing instrument in operation at STFC, this is down to the software which can be used by both systems. Therefore this reason supports the justification that competition is absent for technical reasons - Regulation 32 (b) ii
