Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Carmarthenshire Property Works Framework

II.1.2) Main CPV code

- 45000000 - Construction work

II.1.3) Type of contract

Works

II.1.4) Short description

Carmarthenshire County Council wishes to appoint suitably qualified Contractors to deliver responsive maintenance (including emergency works ordered during normal working hours and out of working hours), planned works, adaptation works, call handling to include out of hours, void property works, technical inspections and trade specific works, required for the delivery of property related services within its Housing and Non-Housing Divisions. This arrangement will be a Framework Agreement with multiple Contractors appointed to a number of different trade-specific, geographical and value-banded lots. There are lotting restrictions in place for specific lots, as detailed in the tender documentation.

This Framework is for use by Carmarthenshire County Council in addition to any body (whether incorporated or otherwise) which is a subsidiary of or is wholly or mainly owned or controlled by Carmarthenshire County Council.

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for maximum number of lots

31

Maximum number of lots that may be awarded to one tenderer: 29

II.2) Description

II.2.1) Title

Lot 1a Housing Responsive & Small Building Works (South)

Lot No

1

II.2.2) Additional CPV code(s)

- 45000000 - Construction work
- 45210000 - Building construction work
- 50000000 - Repair and maintenance services
- 50700000 - Repair and maintenance services of building installations

II.2.3) Place of performance

NUTS codes

- UKL14 - South West Wales

Main site or place of performance

Carmarthenshire South (Llanelli)

II.2.4) Description of the procurement

The scope of works for this Lot will include day to day maintenance covering general domestic property maintenance across multi-trade skill sets, inclusive of but not limited to plumbing, general electrical works, carpentry to include door replacement and kitchen unit installations, bathroom refurbishments, bricklaying, plastering, decorating, roofing, flooring, replacement of external doors and windows and glazing repairs. Other works may include fencing works, timber shed replacement and groundworks.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing

system

Duration in months

36

This contract is subject to renewal

Yes

Description of renewals

The Framework shall be for 3 years with the option to extend for up to a period of 12 months.

II.2.10) Information about variants

VI.3) Additional information

IMPORTANT TENDER INFORMATION

ETENDERWALES PORTAL - This procurement exercise will be conducted via the eTenderWales portal. To assist you in locating these opportunities on the eTenderWales portal, the project code is: project_54404.

The project comprises of one overarching Qualification Invitation to Tender (ITT), in addition to lot-specific ITTs. To constitute a valid tender, bidders are required to submit one completed overarching Qualification ITT AND a Lot-specific ITT (containing a Technical and Commercial Envelope) for EACH LOT they are tendering for. All tender documents such as the Framework Agreement, Instructions to Tenderers etc. are contained within the overarching Qualification ITT and the Lot-specific ITTs. Please also ensure you check the attachments area for any documents/ information which may assist you with your submission or you are required to upload as part of your submission as per information contained within the tender pack. To access the tender documents, please register your company on the eTenderWales portal at: www.etenderwales.bravosolution.co.uk

BUSINESS WALES SUPPORT - Business Wales will be facilitating two free live tender webinars specifically for those tendering for this Framework, to be held on 27/02/2024 (11:00am - 1:00pm) and (2:00 - 4:00pm). Business Wales will offer advice and guidance on accessing the e-tender and submitting a bid. Registration is essential in order to reserve a place on the webinar. To register, please contact Business Wales on 01656 868500 or by email at: trading@businesswales.org.uk

LOTING RESTRICTIONS - Tenders may be submitted for one, several or all of the following Lots:

- Lots 1a to 10
- Lots 13a to 17

However, there are restrictions on the number of lots a tendering organisation can apply for in relation to certain Lots, as detailed below:

- Lots 11 – 12 and Lots 18 – 24: Tenderers bidding for these trade-specific Lots cannot bid for any of Lots between 1a-10 and between 13a-17.
- Lots 14a – 15b : Tenderers may bid for one, several or all of Lots 14a, 14b, 15a and 15b but will only be awarded a combination of the Non-Housing Responsive Lots (14a and 14b) OR the Non-Housing Planned Works Lots (15a and 15b). Tenderers are required to specify their preferred Lot(s) should they submit successful bids for all these Lots.

Full details are provided in the tender documentation.

NOTE: The authority is using eTenderwales to carry out this procurement process. To obtain further information record your interest on Sell2Wales at

https://www.sell2wales.gov.wales/search/search_switch.aspx?ID=135825

Under the terms of this contract the successful supplier(s) will be required to deliver Community Benefits in support of the authority's economic and social objectives. Accordingly, contract performance conditions may relate in particular to social and environmental considerations. The Community Benefits included in this contract are:

Contractors appointed to Lots 2A-17 of the Framework will be expected to deliver community benefits to support the Council's economic and social objectives. Community Benefits will not apply to Lots 1A-C or Lots 18-24.

(WA Ref:135825)

The buyer considers that this contract is suitable for consortia.
