#### **II.1.4) Short description**

The purpose of the service is to improve access to health care for the homeless and rough sleeper population within Leeds and Bradford. A digital platform will be used to collect information on the health and wellbeing of individuals who are homeless or rough sleeping. This health information will be obtained by a trained peer who has previously experienced homelessness, who will input this information onto the digital platform. The information collected will then be passed on to a clinical team for review, monitoring and intervention. The service will run for a year and will be evaluated as part of the contract. The service provider will work closely with Leeds City Council and Bradford Metropolitan District Council to ensure the work is connected to each local authority's own work with their homeless and rough sleeping populations.

## Section IV. Procedure

### IV.1) Description

#### IV.1.1) Type of procedure

Negotiated without a prior call for competition

- The works, supplies or services can be provided only by a particular economic operator for the following reason:
  - absence of competition for technical reasons

Explanation:

We do not believe that there is another provider who is able to meet the needs of the homeless population in this way and within the required time period. That is, provide a peer-led approach to data collection, which is key to building trust and engagement with the homeless and rough sleeping population, in conjunction with a digital platform that means that the healthcare information can be triaged and acted upon by trained clinicians.

#### IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes
