Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The services can be provided only by a particular economic operator for the following reason:
 - protection of exclusive rights, including intellectual property rights

Explanation:

Regulation 32(2)(b)iii permits the award of a public contract by a negotiated procedure without prior publication where the works, supplies or services can only be supplied by a particular economic operator due to the protection of exclusive rights, including intellectual property rights. The absence of competition is not the result of an artificial narrowing down of the parameters of the procurement.

The Western Health and Social Care Trust requires the purchase of AMPHOTERICIN LIPOSOMAL (AMBISOME) 50 mg Powder for reconstitution INF;1 Vial Pack which is subject to patent protection / Sole MA Holder and consequently no reasonable alternative or substitute exists.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes
