IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- Extreme urgency brought about by events unforeseeable for the contracting authority

Explanation:

Newcastle University developed Intake24 to measure population dietary intakes in Scotland. They have, worked with ScotGen on a field test and pilot and have carried out the dietary analysis to date. As the originators, they understand the processes behind the collection and analysis of the data. They have prepared the report of the pilot survey and published a number of peer-reviewed publications on Intake24. Their work on the surveys has been selected as an example from Newcastle University for the UK Research Excellence Framework. They hold the dataset at present and have capacity to work on this project from Dec 20 to Mar 21. This project will ensure that the data will be publically archived once analysis is complete.
