- 71351500 - Ground investigation services

**II.1.3) Type of contract**

Services

**II.1.4) Short description**

The Authority is looking to procure a framework agreement (Agreement) for the provision of Ground Investigation Services and Associated Works.

The work content will relate to Ground Investigation (i.e. boreholes/soil sampling and testing/ factual and interpretative reporting) as outlined in the Scope-Specification.

The Agreement will be used to carry out site investigations for new highway schemes, existing highway maintenance schemes, new Council buildings including new school developments and the potential treatment of mineshafts and shallow mine workings.

The investigation works will comprise of hand excavated trial pits, cable percussion boreholes, rotary open hole and core drilling, dynamic probing, environmental probing, road pavement and structural coring. Sampling will be required, together with the production of borehole logs and factual reports, where required. Further information can be found within the Scope-Specification.

## **Section VI. Complementary information**

### **VI.3) Additional information**

In accordance with Section 4.12 (Authorities Rights) of the Invitation to Tender the Authority has taken the decision to abandon this current procurement process. This decision was taken due to the number of submissions which failed to meet the criteria for completion of the Price Schedules. Please note we are intending to re-procure this service in the coming weeks following a review of the documents. We have taken this decision to ensure the County Council achieves the best value and service possible and to provide an opportunity for Suppliers to ensure criteria is able to be met.
