Text

Opportunity Sheffield is seeking a range of providers to deliver a community-focused / hyper-local employment support project with an innovative approach to engaging economically inactive participants within different types of community settings. Focused particularly on economically inactive residents, providing tailored interventions and supporting them into work. A budget cap has been set for each individual zone which collectively total the advertised estimated total value. Successful providers will be able access a pooled budget of estimated £30-85,000 for the evidenced delivery of outcomes above the contracted target (this budget is not included in the estimated total value in this advertisement and subject to availability). This project is part-funded by the UK Government through the UK Shared Prosperity Fund and Economic Inactivity Trailblazer funds.
