Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.2) Economic and financial standing

List and brief description of selection criteria

HES use Scotbis, an independent provider of business credit reports, to assess the financial standing of tenderers. The overall aim of this assessment is to ensure, as far as possible, that any potential Supplier will not have financial difficulties that endanger their ability to perform the Contract. If financial information cannot be gained from that source Historic Environment Scotland will request that you provide full audited accounts for the last full financial year. If Suppliers cannot provide any of the assurances as detailed above, and it is determined by HES that your financial strength is not adequate, then your company may not pass the financial evaluation. If you can provide the assurances as detailed above, HES may explore these options with you before determining whether your company can be taken forward in this procurement exercise. Bank details may also be sought to support the above.
