Description

Supply Chain Coordination Limited (“NHS Supply Chain”) is developing a Negative Pressure Wound Therapy (NPWT) Framework. NPWT includes negative pressure pumps, and the associated consumables as used throughout various departments of Acute trusts and in community settings. The framework agreement is for the supply of negative pressure wound therapy. Therapeutic techniques using vacuum dressings and equipment to promote healing in chronic and acute wounds via both purchase and rental options.

The lot structure is as follows;

Lot 1: NPWT Pumps, Rental and Pump Accessories

Lot 2: NPWT Consumables

The Authority estimates that, in the first twelve months of the Framework, the total value of purchases under it will be around £24,360,177. For the full 48-month term, the anticipated value is around £113,055,580 excluding VAT.. These values are approximate only and are based on the most recent historical usage information, with a forecasted level of usage. The value provided are for guidance only and are not a guarantee of business with successful Tenderers.

Further details about the requirements within each Lot are provided in the tender documentation located within ITT_2016.

Not the same for all lots

CPV classifications and options are shown in Lot sections, because they are not the same for all lots.

Lot 1. NPWT Pumps, Rental and Pump Accessories

Description

This lot encompasses the provision of NPWT pumps and associated accessories intended to facilitate wound healing through the application of controlled sub-atmospheric

pressure. NPWT is widely utilized to promote wound closure by secondary intention, effectively removing exudate and encouraging granulation tissue formation, which supports cell proliferation, migration, and angiogenesis. Additionally, NPWT may be employed to reduce the risk of surgical wound dehiscence in patients identified at risk.

Lot value (estimated)

- £62,226,649 excluding VAT
- £74,671,978 including VAT

Framework lot values may be shared with other lots

Options

The right to additional purchases while the contract is valid.

Successful suppliers are able to enter into a free on loan agreement directly with the customer 'who is not NHS Supply Chain' for the rental of NPWT pumps on a free on loan basis.

CPV classifications

- 33140000 - Medical consumables
- 42122410 - Pumps for medical use

Same for all lots

Contract locations and contract dates are shown in the Scope section, because they are the same for all lots.

Lot 2. NPWT Consumables

Description

This Lot is for the consumables used in conjunction with negative pressure wound therapy pumps.

Lot value (estimated)

- £50,828,931 excluding VAT
- £60,994,717 including VAT

Framework lot values may be shared with other lots

Options

The right to additional purchases while the contract is valid.

A Set Purchase Plan allows trusts to obtain Negative Pressure Pumps on a 'free-on-loan' basis, covering both large and portable devices without the upfront costs. This plan is an direct agreement between the Trust and the Supplier, where a specified value for the purchase of Negative Pressure Wound Therapy consumables is committed. In return, the trust receives both large and portable devices free on loan.

CPV classifications

- 33140000 - Medical consumables
