It will consist of a series of weekly, cross-community, lunchtime cultural, musical and historical workshops over approximately 18 months. The project will develop friendships and cross community relationships, serving the community well, helping to alleviate tensions between the communities and making a contribution to lasting peace and reconciliation. The Culture Club will offer a shared and inclusive programme of activities in a safe environment where participants can come together, enjoy each other's company, share a meal and engage in good relations activities. The project links with the Social Wellbeing pillar of Derg Growth Plan.
