Successful Providers' contracts, as delivered under the Easter 2025 holiday provision, may be extended/varied to cover delivery in the Summer and Christmas school holiday period. At the sole discretion of the Council, providers will be identified and approached for Summer and subsequently Christmas delivery, this is likely to be dependent on successful achievement from Easter 2025 delivery under this contract and Commissioners professional judgement.

If Successful Providers meet the threshold that the Commissioner deems as successful delivery, they will be emailed a proposal form for completion for the next school holiday period. The same evaluation criteria will be applied to the subsequent proposals.

There is also a possibility that DCC may acquire funding from different sources that may be used for main school holidays, half term holidays or funding for participants to attend that are not in receipt of Benefits-related Free School Meals.
