Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Contract for the Supply of Construction Services

II.1.2) Main CPV code

- 71500000 - Construction-related services

II.1.3) Type of contract

Services

II.1.4) Short description

Keynvor Morlift Ltd (KML) invites all suitable companies to tender for a call off contract for the supply of Construction workers for their Falmouth Wharves Marine Hub Project.

This project, which is part funded by the European Regional Development Fund, will deliver flexible industrial workspace as well as improved marine facilities, creating a unique asset for the South West. It includes the refurbishment and fit-out of four existing buildings on site.

The role of the supplier under this contract will be to provide workers across the construction trades to support the refurbishment and repair works on site. These works will include the renovation of commercial buildings, improvements to the site's external spaces and repairs to the piled wharf structure.

You will be required to supply multi skilled workers with experience of working on commercial construction projects. They will be required to have relevant construction site qualifications, trades certificates and where necessary experience of working in the marine construction and civil engineering industry.

II.1.5) Estimated total value

Value excluding VAT: £600,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKK3 - Cornwall and Isles of Scilly

II.2.4) Description of the procurement

Keynvor Morlift Ltd (KML) invites all suitable companies to tender for a call off contract for the supply of Construction workers for their Falmouth Wharves Marine Hub Project.

This project, which is part funded by the European Regional Development Fund, will deliver flexible industrial workspace as well as improved marine facilities, creating a unique asset for the South West. It includes the refurbishment and fit-out of four existing buildings on site.

The role of the supplier under this contract will be to provide workers across the construction trades to support the refurbishment and repair works on site. These works will include the renovation of commercial buildings, improvements to the site's external spaces and repairs to the piled wharf structure.

You will be required to supply multi skilled workers with experience of working on commercial construction projects. They will be required to have relevant construction site qualifications, trades certificates and where necessary experience of working in the marine construction and civil engineering industry.
