- UKN0 - Northern Ireland

### **II.2.4) Description of the procurement**

Translink operate bus and rail services across Northern Ireland. We are seeking to establish a single supplier framework for the Purchase of Body Worn Video (BWV) Cameras and associated hardware and peripherals to be used by Translink staff in a transportation environment.

The project team would like to engage with interested suppliers, who have a proven track record in the supply of BMV devices. The team have set aside dates for interested suppliers to meet with Translink at our premises in Belfast between 20th and 24th of March 2023.

Please contact Katherine Bleakley ([katherine.bleakley@translink.co.uk](mailto:katherine.bleakley@translink.co.uk)) to arrange a suitable date and time to engage with the Translink project team.

This notice is to initiate an early market engagement exercise. It does not indicate the start of any formal procurement exercise. Separate specific OJEU procurement exercises will be advertised at the appropriate point in the future. Parties with whom discussions may have been held will be required to submit their applications to be involved in the respective procurement(s) in the normal manner. Translink wishes to engage with the market to seek out expertise and conduct market/product research to ensure that the best possible offer is presented to the market place.

## **II.3) Estimated date of publication of contract notice**

20 April 2023
