Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Open procedure

Accelerated procedure

Justification:

To provide a prepared packed lunch bag which can be provided into schools at short notice in order to continue a limited lunch service. This requirement has now become necessary due to the significant impact that COVID-19 is having on staffing resources within school meals kitchens, resulting in there being insufficient staff on occasions within locations to prepare & serve the school meal. This has the potential to affect the EA's statutory obligation to provide a free school meal for those children who are entitled to it. In most circumstances the EA gets little or no notice that a kitchen will be without staff due to the virus, & it is expected that over the coming weeks this will become a more regular issue.

IV.1.3) Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes
