Main site or place of performance

Gloucestershire Hospitals NHS Foundation Trust

### **II.2.4) Description of the procurement**

II.2.4) Description of the procurement:

Gloucestershire Hospitals NHS Foundation Trust (the Authority) is seeking an experienced and established provider able to supply, manage and maintain Imaging Equipment under a Managed Equipment Service (MES).

This is an exciting opportunity for providers to develop a long-standing strategic relationship with the Authority in the delivery of a MES across the following imaging categories:

- Diagnostic imaging
- Interventional radiology
- Nuclear medicine
- Breast screening
- Radiotherapy
- Cardiac Catheterisation Laboratories

The ultimate goal of the Authority is to appoint a service provider able to deliver innovative (vendor neutral) medical technology and equipment over the course of the contract, whilst managing all equipment concerns such as ownership, provision, purchase, installation and commissioning, user training, asset management, maintenance and ongoing replacement.

This Prior information Notice (PIN) is to allow all interested providers to express an interest in this requirement, prior to the launch of the Invitation to Tender (ITT). The Authority is also inviting all providers to attend an online supplier engagement event on Wednesday, 7th April, 11:00 – 13:00. In this session the Authority will outline its draft requirements and hold a question and answers session.

If you would like to express an interest in this opportunity and attend the market engagement event, please provide the following to [heather.palvie@nhs.net](mailto:heather.palvie@nhs.net):

- Company Name
- Contact
- Contract Role
- Email Address
- Phone Number

### **II.3) Estimated date of publication of contract notice**

15 June 2021

---

## **Section IV. Procedure**

### **IV.1) Description**

#### **IV.1.8) Information about the Government Procurement Agreement (GPA)**

The procurement is covered by the Government Procurement Agreement: Yes
